Dear Sir:

Remarks

This is in response to the final Office Action mailed October 3, 2002.

Finality of Office Action

The examiner states that the amendment originally filed July 26, 2002 has been entered. However, it appears the examiner has not considered the claims as amended, and has not responded to Applicants' arguments. Additionally, the examiner has not reviewed the timely filed declaration, as discussed below. For these reasons, Applicants respectfully request the finality of this office action be withdrawn.

Declaration

The examiner acknowledges receipt of the signed declaration, but asserts it was not timely because it is not directed solely to new issues raised in the non-final office
